Sir,

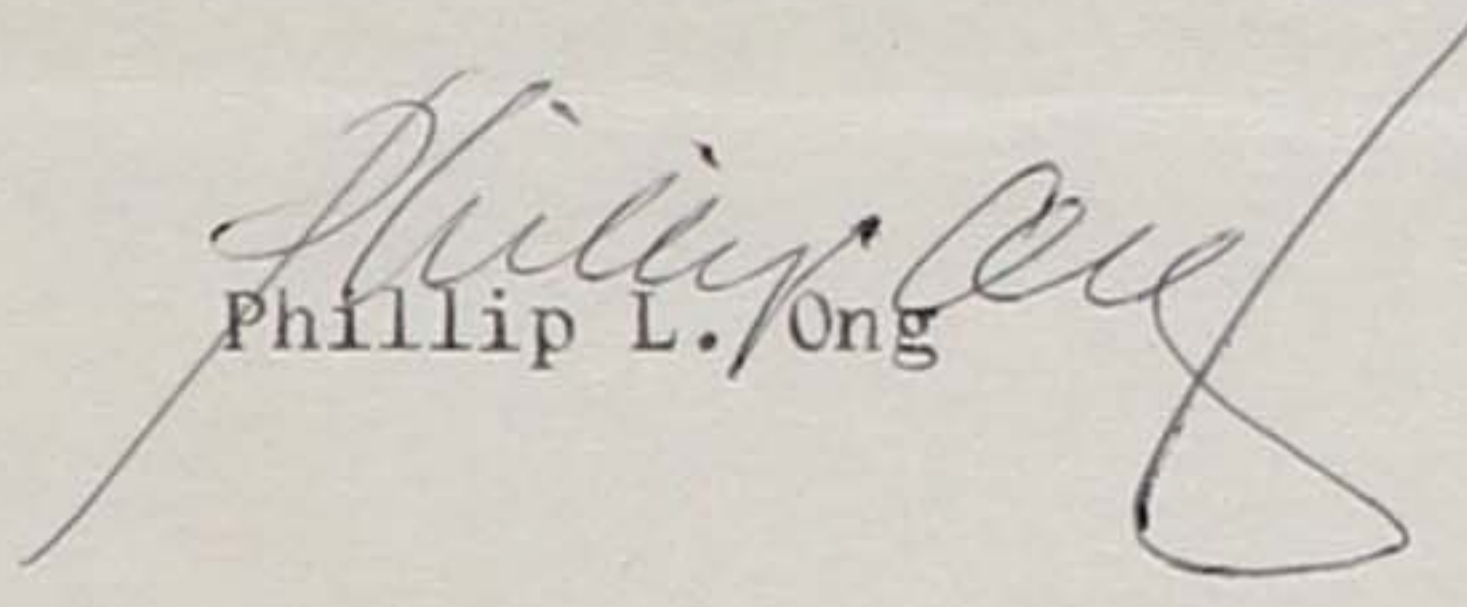

We obtained your name and address from a list of traditional importers of decorative and gift items for home furnishing.

We are now producing Macrame plant hangers for interiors which are of fine craftsmanship and truly collectors' items. These Macrame items are fashioned out of 100% handmade cotton ropes.

Enclosed herewith please find a sample picture with complete description of one of our items. Should you be interested, let us know. We shall be pleased to furnish you a complete set of pictures of our other designs.

Very truly yours,
