

June, 1930

To Whom It May Concern:

This is to certify that the bearer, Mr. Kichio Allen Arai, is a graduate of the School of Architecture of Harvard University, having received the degree of Master in Architecture in June 1930.

He expects to travel, to acquire further experience, and to make research in his chosen profession. Any favors which may be accorded him, or assistance which may be given him, by those who are in a position to further his work, will be regarded as a favor, not only to him, but to the Faculty under which he has studied and from which he has received his degree.
