Dear Mr. Arai:

I have been asked to answer your letter of June 5. I am particularly happy to do so in view of the fact that I remember you from your days at school.

Unfortunately I am not in a position to state exactly what privileges our master's degree gives in the State of Washington. It is correct that we are a member of the Association of Collegiate Schools of Architecture.

I suggest that you write to the National Council of Architectural Registration Boards and ask them about your standing. I am certain that they will be in a position to help you. Address your letter to Mr. S. L. Stubbs, Executive Secretary, and he will be able to answer your questions and send you circulars of information.

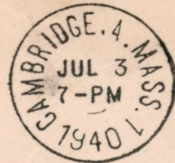

With best regards,

Sincerely yours,

Walter F. Bogner
