

The State of Wisconsin

BUREAU OF ENGINEERING

STATE CAPITOL

MADISON

DIVISION OF
ARCHITECTURE

August 16, 1944

Mr. Allen K. Arai,
Block 8 - 10 - E,
Hunt, Idaho.

Dear Sir:

This will acknowledge receipt of your letter to me dated August 5 advising of your decision that humid weather in Madison prior to August 5 brought on a recurrence of asthma and fear that you would not be in condition to work.

We regret your decision and particularly that we did not have an opportunity to discuss matters before you left Madison.

Based on your entries on time sheets, we will forward to you the amount due you for the period you worked in this office. Our procedure for you involves waiting until near the close of August at which time payroll is prepared for the current month and check will be available soon thereafter for mailing to you as you have requested.

Very truly yours,

Roger C. Kirchhoff
State Architect

RCK:h

After 5 days, return to
