Dear Kimi,

I'm not sure that we have ever met but I feel as if I know because I've heard Chuck speak of you quite often.

I'm writing to thank you for the tickets to the Home and Garden Show which you so kindly got for our low income mothers who meet at our church. I know they'll enjoy it greatly as they did last year and since they have very few opportunities to attend something of this kind, I know

it will be a bright event
in their lives.

Thank you again for your
kindness.

Very sincerely,
Camilla Peterson
