

Mrs. John J. Purchio

John and I thank you for
being so thoughtful.

With much love,

Dear Kimi -

John and I would like to
express our appreciation for
everything you've done.
The flowers were arranged
so lovely. They really comple-
mented the gardens. And
thank you Kimi for the beautiful
crystal basket - we will get
so much use filling it with
flowers over the years.

Miss Kimi Iwii
