

April 13, 1977

Mr. John L. McDonnell, President and
Members of the Board of Directors
AC Transit District

[REDACTED]
Oakland, California 94612

Dear Jack and Members of the Board:

It is with profound mixed feelings that I submit my resignation as a Director of the AC Transit District, representing Ward V. The effective date - April 30, 1977. Shortly thereafter, I shall be getting married and moving to Colorado to live with my new family.

I have been honored and privileged to serve AC Transit District as a member of the Board of Directors since 1972; first as an appointee to the Board to succeed the late E. Guy Warren; then as an elected Director in the 1974 general election.

My experience with the District has been one of the most rewarding and significant of all my years spent in public service. During my tenure, you entrusted me with the duties and responsibilities of the office of Vice President in 1973 and 1974, and as President of the Board of Directors in 1975 and 1976. These were years of total commitment and fulfillment, and I shall always remember them with deepest appreciation for your overwhelming thoughtfulness, support and confidence. I am proud of my association with the District, the Directors, officers and every employee. It is a large family that serves a great area, and its leadership and success has been and will continue to be measured by how it succeeds in continually working together toward the objective of "people-caring" and "people-carrying".

The experience at AC Transit has been viable and continues to create an awareness of the expanded roles and responsibilities of the District in meeting the current and future needs of the

area and helping solve the difficult problems of environment, pollution, energy, water, traffic congestion, city and regional planning, the mobility of the elderly and disadvantaged, and above all - the financial resources necessary.

I am pleased to say that AC Transit is meeting these challenges by continually approaching them with careful study, effectiveness and grace while maintaining a low-key profile.

I shall always reflect back on these wonderful and rewarding years working with all of you. It has truly been an honor and a very humbling experience to serve such an outstanding Transit System. I have enjoyed it immensely and hope I have been able to give as much as I have received throughout.

Above all, I have enjoyed your warm and sincere friendship. I will miss you all, and you can be sure that AC Transit will have one of its biggest boosters in Colorado very soon.
Thank you. *ael*

Sincerely,

Kimi Fujii
