

CITY OF HAYWARD • OFFICE OF THE MAYOR

JOHN K. (JACK) SMITH
MAYOR

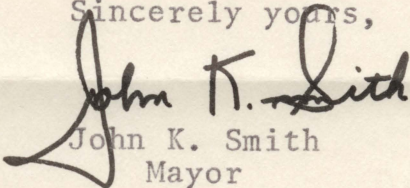

GREETINGS:

This letter will serve to introduce one of this municipality's most esteemed citizens, Miss Kimi Fuji who is presently touring Europe as a member of a horticultural fact-finding group. Her interest in such matters stems from the fact that she is an owner of one of the largest carnation growing nurseries in the United States; we are proud to have that nursery in the City of Hayward.

Miss Fuji has been constructively active for many years in governmental affairs of Federal, State and municipal agencies. In this City Miss Fuji is a member of the Human Relations Commission. At the State of California level she serves as a member of the Board of the First Agricultural District which includes the area of our City.

I am most pleased to be able to extend the official greetings of the City of Hayward through Miss Fuji. I would be most pleased and grateful for any courtesies accorded her.

Sincerely yours,

John K. Smith
Mayor
