DEAR Miss Fusii: —

CONGRATULATIONS!

ALM

HAYWARD WOMAN TO SERVE

Miss Kimiko Fujii of Hayward has been reappointed to the First District Agricultural Association Board of Directors.

At the same time, Governor Edmund G. Brown also announced the appointment of Newton Elder to the Board of Directors yesterday.

"Miss Fujii has proved herself an invaluable asset to the board in its splendid work with the Alameda Flower Show," the governor said. "She has earned reappointment."

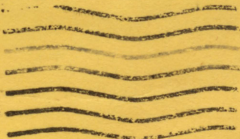

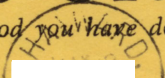

"I know Elder will do much to further the work of the board and will prove himself a great help," the governor said.

Elder succeeds A. Hubbard Moffitt Jr., of Alameda. He is a carpenter and contractor. Miss Fujii is co-owner of the Fujii Company, Inc.

Both appointees are Democrats. Elder and his wife, Sarah, make their home at [REDACTED], Alameda.
