

Wednesday

Dear Keizie;

There isn't much to write, so this is to let you know we're okay.

I guess you've received the fall flower by now.

Fally sent a card. They're going to live in New Rochelle, N.Y. 16 Union St.

Betty Sauto had a baby girl Saturday afternoon. She wanted a girl so badly. I'm glad she got it.

Hamako + Morris came back from the cannery. Morris is going to work at the councilman's office. I don't know what Hamako's going to do.

I got my report card the other day. I got all B's so I'm satisfied.

I was ~~so~~ glad to hear that you bought
an activity card. No use being a book
worm for ~~our~~ Christ sakes.

The Yuni Matsuoka Tanaka, that gal whose
husband went to Hawaii, well she left
Sunday for the coast and will soon
be on her way to Hawaii. A couple of other
people ~~are~~ left with her.

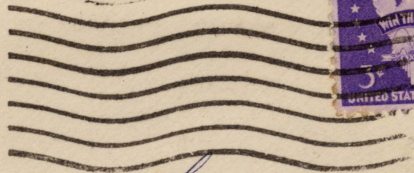

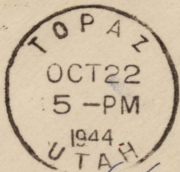

Well don't study too hard

Love,
Sue
