MEMO TO: Women's Division Chairman, D.S.C.C.

FROM: R.E. Fowle

Greetings again, after your busy summer! (Unusually busy for me too)

Hope you can come to our first fall meeting, tell us what you've been doing, and help plan our ~~Issues Luncheon~~ in S.F. Oct. 9th, where an added attraction will be Geri Joseph, Margaret Price's successor as Vice Chairman of the Democratic National Committee, and Director of Women's Activities nationally.

Our warmest thanks to some of you who have been active on W.D. projects even during the summer, including Gwen Regalia, Betty Parker, Muriel Roy, and Gertrude Mecham.

I gave up the apartment at the end of the year's lease, but Cecil Curtis, Alan's Field Representative, has a nicer one in the adjoining building and very kindly has invited us to meet there.

Please bring a sandwich, and coffee and dessert will be served.
