Dear Kimi:

Many, many thanks for your nice letter and the delightful check. I'm glad you had a good party, and I'm sure you're right, that if we sent out regular bills we would get much better results. That's always been my experience. I'm glad that you and John Castro will be at the meeting in Los Angeles. I'm going to be down there the night before, but because I have to get back to San Francisco on the night of June 9 and there is no airplane going out from Guatemala on Sunday and it's my first chance to see my son and his wife and my youngest grandson, I'll probably leave early on the morning of the 5th and miss my second executive committee in 11 years. If you're there nobody will miss me.

Best regards and many thanks.

Yours,

Roger Kent
State Chairman
