MEMO TO: Women's Division Chairmen, D.S.C.C.  
FROM: R.E. Fowle

December 19, 1969

Dianne Feinstein sent a warm thank-you for our last Women's Division meeting, and she adds:

"I have enjoyed my years as San Francisco Chairman and especially the warm friendships and deep feeling of respect that has been developed for the swinging County Chairmen. I look forward to a continued association and to being of help wherever and whenever I can.

"We would like to extend a warm invitation to attend my Inauguration on January 8, 1970, at noon, in the Board Chambers on the second floor of City Hall, Civic Center."

Let's meet right after the ceremony at our usual place, for County Reports on political developments, and some long-range planning for 1970.

Thank you again for your wonderful help and support this past year. and your outstanding financial contribution to the Party of almost \$4000!!
