Dear Kimiko:

You don't know me but anyone related to Tom Kitayama has to be first-rate.

I want to take this opportunity to congratulate you on becoming a member of the Oakland-Alameda County Coliseum Board of Directors. I certainly hope that you can help the Board to maintain its independent status. Part of the reason that the Coliseum Complex has been so successful is because it is non-political. I hope it can stay that way.

Cordially,

R. T. Nahas
