Dear Kimi:

As you no doubt are aware, on Tuesday, April 23, we will host a visit of the Pals Club of the California State Legislature in this area.

The group will have lunch at the Lakeside Garden Center in Oakland. Following the luncheon, the group will visit the Garden Show.

An invitation to participate in the day's activities, I understand, has been forwarded to you and I would appreciate it if you would consider joining with Mrs. Robinson as hostesses to the group when they arrive at the Garden Show.

Sincerely yours,

Edmund C. Sajor, Manager
