September 18, 1962

Dear Kimi:

A friend of yours, Rose Kraft, was in the office yesterday as she was in Washington on business.

She told us of the death of your father and we were very shocked to hear the news. This was the first we knew about it.

Mrs. Miller and I know how inadequate words are at a time like this but if it is any consolation to you and your family, we share in your loss.

The entire staff join in expressing deepest sympathy.

Sincerely,

A handwritten signature in cursive script that reads "George".
