Dear Kimi,

Many thanks for the  
Passes to the flower show.  
Called Chloe but she said she  
couldn't stand that much walking.  
She gets worn out just going to the  
Dr.

So I call a lovely neighbor and we  
went (Sunday) everything was nice  
and fresh and very pretty. Had  
a good crowd, we went early in the  
forenoon, it as always was very pretty.  
The orchids are breathing such beauty,  
we enjoyed a great deal.  
Thanks a lot  
Love Helen & friend
