THE FALL GARDEN SHOW

Thank you for accepting the co-chairmanship of the Fall Garden Show sponsored by the Hayward Area Recreation and Park District. I am happy to report to you that we have been able to contact some of the local nurseries and garden clubs and they are willing to participate in this unique and colorful opening program of the Meek Estate.

You, as co-chairman, will want to meet with all of the groups participating as soon as we have a roster lined up. Mr. Gilkey, our designer, is working with Mr. Edward Kappler, past president of several flower societies and garden clubs, in coordinating this type of exhibit.

Howard Gilkey is currently working on the plans for the garden show and we will submit these to you for your review prior to calling the general participants' meeting. These should be available in two weeks.

Mr. Morrisson would like to announce the co-chairman of the Fall Garden Show at our August 9th Board of Directors meeting. I know you will have a lot of fun working on this community project.
