Committee to Elect Gail Steele • 1950 Wingate, Hayward • Phone: 538-9422 or 582-8302

## What do people living in Hayward need?

# Vote Tuesday, April 9th

# A city councilwoman who cares!

## Gail Steele has worked actively for the following organizations.

- League of Women Voters
- Eden Area Coordinating Council
- Eden Health Advisory Board
- Project Eden
- Hayward Committee on Children
- Hayward School Reorganization Commission
- Alameda County Mental Health Advisory Board
- Alameda County Mental Health Association
- Alameda County Children's Council
- Children's Interest Committee, Alameda County Human Relations Commission
- P.T.A.
- Cub Scouts

## She'll work for you, too!

Gail Steele cares about making city government more responsive to the needs of the people. She has proven that ordinary citizens have great influence on governmental planning, programs and decisions.

## Here's what Community Leaders say about Gail Steele:

*"Gail Steele has demonstrated a deep commitment to citizen involvement and active participation. I would commend her to you as an important voice in the Hayward City Council."*

**Karl Schultz, PhD.,** Psychologist

*"Gail Steele has the insight to identify problem areas quickly . . . ability to carry through . . . She would provide excellent leadership on City Council."*

**Barbara Shockley,** Environmentalists

*"A tireless worker who has proven her leadership abilities in tangible accomplishments . . ."*

**Rosemary Skonnard, M.S.W.,** former assistant Professor of Sociology, Cal State, Hayward

*"An effective worker for social change . . . concerned about the quality of life."*

**Evelyn Schneider,** Vice Chairman, Hayward Human Relations Committee

*"If Gail Steele is elected to the Hayward City Council, she should take the title 'Citizen Councilwoman.' Her election will only make her activities official. She is already one of the most effective citizens participating in local government."*

**Tom Bates,** Supervisor, Alameda County

*"Gail Steele has the energy and intelligence to get to the bottom of the issues for the public interest."*

**Malcolm Sowers, MD.,** Psychiatrist

*"Gail Steele has consistently impressed me as a fair, concerned, well informed person who gets things done because she does her homework ahead of time."*

**Mike Reilly,** Director of Project Eden

*"Gail has skillfully promoted the community-based team approach to planning and decision-making in the field of human services . . ."*

**Loni A. Hart,** Assistant District Director, Children's Home Society of Calif.

*"an energetic commitment to open government in the form of citizen participation."*

**Arthur Bolter, M.D.,** Pediatrician and Chairman, Drug Tech. Advisory Committee

*"I have often wished aloud for more Gail Steeles to test and sometimes to affirm us in our work."*

**Barbara Graves,** Administrative Director of Field Studies, U.C., Berkeley, formerly: Mental Health Planner for Alameda County

Gail Steele cares about the people of Hayward. She has worked vigorously for community mental health programs, improved children's services and other positive social action projects.

Gail Steele cares about individual needs and problems.

Gail Steele cares about drug problems and health needs.

Gail Steele cares about planned residential growth. She has worked to expand parks and open space.

Gail Steele cares about the city. She believes in planned commercial and industrial growth.
