Dear Kimi:

I just wanted to drop you a line to personally thank you for all the hard work put in on George Phillips' campaign. I was really impressed with the tremendous effort put on by you and the folks in Hayward and the results certainly justified my impression. I would certainly appreciate having you convey my thanks to the many people who worked with you on the campaign and who are unknown to me. There is no doubt that they all did a splendid job.

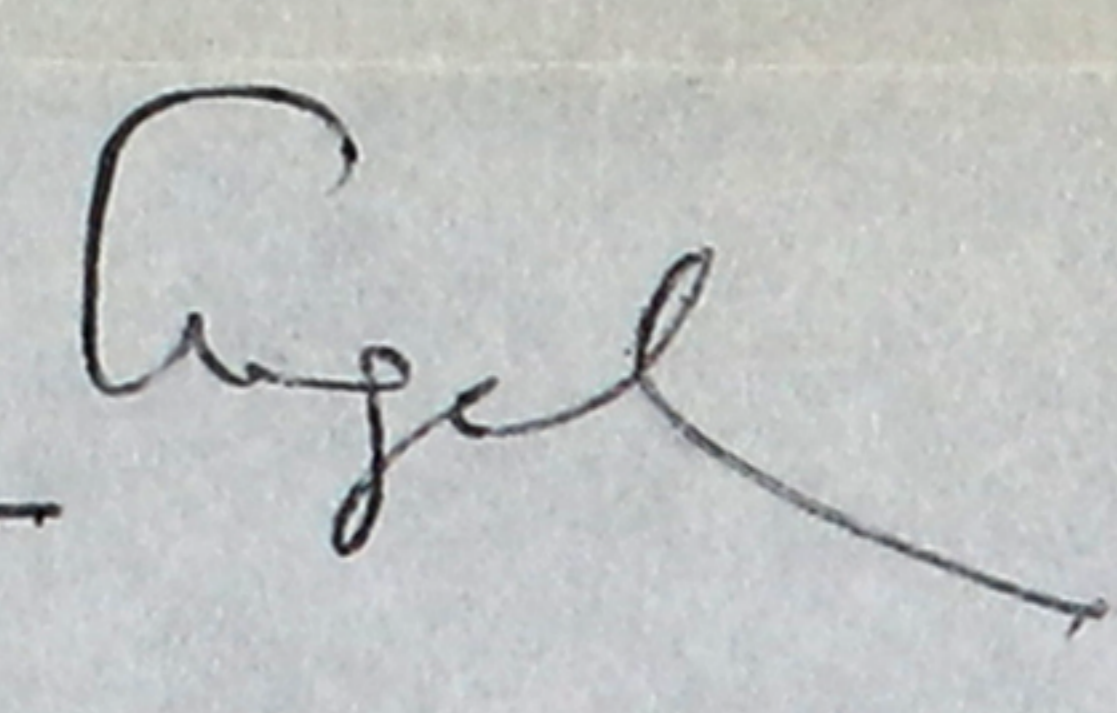

I hope that our paths cross again. I can only reiterate the fact that it's been a real pleasure for me to meet you and work with you.

My best to you.

Very truly yours,

Maurice Engel
