Dear Kim:

Heartiest congratulations on a wonderful California Spring Garden Show! I didn't realize that you were President of the whole tremendous project until I saw it in the program last night. Truly, it was beautiful and artistic in every way.

Sorry I couldn't find you in the large crowd. I did meet Mrs. Madenios there, bought a Kennedy rose for \$10.00, as posed for pictures at the rose garden - I'll tell friend about it too - Saw Mrs. Phillips there. (I'm in charge of the home hospitality night for the East Bay when the

U. N. delegates are here June 26 -)
and was so glad to hear that you
will be a guest of the Phillips
that night -

All good wishes for a great
success, so abundantly deserved.
fond regards from
Edna
