Dear Miss Freije,

In behalf of the Clay  
Street YMCA I wish to thank  
you for making our Flower  
Festival a tremendous success.

As many as 7000 people  
visited the festival. All expressed  
delight in and admiration for  
the beauty of the event.

We are truly indebted to  
you for your interest and for  
your arranging with your brother  
to donate the beautiful carnations  
to help us put on a colorful  
floral display.

With our profoundly deep  
appreciation and all good wishes.

Sincerely yours,  
Florida Huang, Chairman  
Clay Street Center
