Dear Mr. Fujii:

We would enjoy the privilege of having you as our guest at a cocktail party on Wednesday, August 12th, 5:30 to 7:30 PM at Trader Vic's, 20 Cosmo Place in San Francisco.

Before the delegates leave for Atlantic City, Television Station KPIX would like to say 'bon voyage' to the members of the Democratic Delegation from Northern California, and to have them meet our news staff, who will cover the Convention, highlighting the role of the California contingent.

Due to space limitations this invitation is limited to yourself and spouse, or guest.

I would appreciate it if you would return the enclosed card as early as possible saying you will be with us.

Cordially,

A handwritten signature in blue ink, appearing to read "Louis S. Simon".
