Dear Kimi:

It has been my privilege to serve as Northern Women's Chairman of the Democratic State Central Committee for the past two years. During that time we have developed a number of new programs, won most of our campaigns, and have seen our ranks grow in number. The challenges have been great, but the rewards greater.

I hope that you will allow me the privilege of continuing with our work in the coming campaign and for the next two years. May I count on your support as Women's Chairman when I present my candidacy at the State Convention on August 15th?

Please call upon me if you have any questions I may answer before that date. I shall look forward to seeing you at the convention and to working with you in the coming months.

My thanks and best wishes as always.

Cordially,

Ann

I'm delighted to hear that you are
involved in working on a Women's Union claim.
You've done such a wonderful job in organizing
and setting up the Women's Union. And I'm
happy that you and the region has been so satisfied
with your response. This Spring was ^{a triumph} ~~very~~ ~~interesting~~ in
every single respect. I'm ~~just~~ ^{sure} as long as you were
confident and able to attend.

I have just been requested to sit on
the Assembly. Calver has asked if it will be my
happy privilege to suggest you for the position you seek.
I feel confident in saying that the 9th CD is
you. I believe that the 9th CD will support you 100%.
Please feel free to call on me if there is
anything I can be of help.
