Fremont, California

September 24, 1965

Miss Kimi Fujii

[REDACTED]  
Hayward, California

Dear Kimi,

I am writing this letter to you for the Forum to thank you for the lovely flowers which we hoped would rest in the center of the pool for the Knit-Wig luncheon. After the luncheon was over and most of the guests had left the flowers formed a lovely carpet at the stairs of the pool.

Thank you for your help, support and beautiful flowers. Most of all we were happy you could attend.

sincerely

*Adelle McHale*

Secretary
