Have been reading in the
Paper where our friend Lucy
was making money on the
Proverty money; she is so in
need.

Guess you hadn't heard Mrs
Anderson had been in the
hospital for two weeks. She is
home and has Mrs Walters &
daughter in law with her.

Don't forget us old Demos we
are still here, even though
we can't work hard now. Love Helen

Whatever means the most
to you,
And brings you joy and cheer,
Well, that's just what
we wish for you
Today, and all
the year!

my sincer Congratulations
