

Congratulations for a most
beautiful show in '68!

May 11, 1968

Dear Kimi,

Both Lutz and I want you to know how much we enjoyed ourselves last night at your preview of the marvelous Spring Garden Show. The preview was a tribute to you and everyone who worked so hard to make it the big success it is. Last night was the crowd who truly appreciates the splendor of it all. We thank you....

Now we really must get you to the

Baby Zoo. Elizabeth and I are going to plan a day when we can have you for lunch and a personal tour of the zoo. Everyone is so busy now but we are looking forward to the time when we can relax and enjoy the animals together. The Baby Zoo is like no other zoo you have ever known.

Happiness,
