

May 20, 1969

Dear Kimi -

Thank you so much for the delightful treat of 2 tickets to the Garden Show preview. Claire Krauskopf and I enjoyed every moment of it - flower spectaculars and people spectaculars. We went early + came home early - around 10. We missed seeing you or

Dorothy Sherman but I
did see a few folk I
knew. It was so kind of
you to remember me.

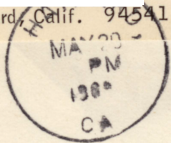

Sincerely,

B. Dorothy B.
