Dear Mr. Stone:

Thank you very much for your letter of September 21, 1973. I am very glad to know that you were able to obtain a copy of the Hearing Examiner's 4/8/58 decision from the Office of Alien Property.

Representative Matsunaga remembered my father's old Miwa Store when I talked to him last August. He stands for reelection next year. Since he has shown good performance and is quite popular in this state, I am sure he will be reelected as had been before. I firmly believe that the time has come for the U. S. to do something about the law (Alien Enemy Act). Please let me know what your reaction will be when you see Representative Matsunaga.

My job at the International Banking
Division of Bank of Hawaii is exciting
as I have been very busy week
after week. I am constantly
meeting businessmen from Japan
as well as those in the state
with regards to business opportunities.
I am glad to be back to my
native land.

Our best regards to you and to
your family. Can we see
each other some day?

Sincerely,

Larry
