*With The  
Heartfelt Sympathy  
Of A Friend*

*Domoto Family*

Though there's so little I can say,  
So little I can do  
To help you in the loss of one  
Who meant so much  
to you —  
Still may you find some comfort  
In this message meant to say  
That all my thoughts go out to you  
In friendship's name today.

*Sincerely,  
Sumi  
Fashiro*
