

Thursday.

Dear Wak:

Surprised and not surprised that you gone to N.Y. I know you have been wanting to go for quite sometime.

I was going to write, in fact I did write to you yesterday, but I guess it will have to wait.

Now that you there maybe you could get the ~~thin~~ size the clothing and tape or anything they mentioned about wanting for X mas. I have been puzzled.

The other day, I had to look up some old picture and find out how old the Kane & Yuri kids are in order to figure the ages.

Have a good time? Let me know when you arrived here. Say hello to Kane & Yuri & the kids.
