Dear Mr. Shaw:

Your letter of July 6th was forwarded from Chicago to me today. I am glad to know that you are going to give my own dialect at your school and also glad to know that Reverend James Dickson, my friend, is getting along at British Guiana.

I would be very glad to work for you but I am sorry that I am not able to do so because I am now working at Naval School of Military Government and Administration in Columbia University under the direction of Lt. George Kerr.

I hope that you will have no trouble at all in starting your new project.

If I can be of any service to you I will be very glad to do so personally.

Very sincerely yours,

Ai Chi Sai
