

My dear Jack:-

How are you getting along over there with your new mission back to the island? Did you find many of your students in the island?

I hope that you are well and are doing your best for helping our people in the island. I pray for your great success in your mission.

I just came back to Washington from Tokyo yesterday. I received a letter from my elder brother Ai Jiu in Tainan through Lt. Comdr. K. W. Dowie. My brother is very grateful that he received the news concerning me through your kindness. He mentioned that he is going to see you soon. I hope that you will extend your friendship to him as you have shown to me in the past years.

I am still working at the Pentagon and will continue my job over there until I hear from you. We have almost no news concerning the island. Khe-bing finally got his commission as 2nd Lt. in the Army. He is still in U. S. A. He does not know about his new assignment yet. He is anxious to go to the island now, as I am.

I met Lt. Carpenter and Lt. Comdr. Reese in Tokyo (G. H. Q.) I went to see Mr. Emmerson and talked to him several times. He is still working

as one of five political advisors to Gen. MacArthur.

He was very nice to me. I enjoyed my trip to Japan.

I learned many things from this trip. I met Dr. Buss

in our team, and he wrote an introductory letter to

Mr. John Vincent for me. I went to see him but

he was absent from his office because he went to

Moscow with ~~the~~ ^{Secretary of} State.

I ~~talked to~~ ^{met} Mr. Panfield

and Mr. Barton in the building. Mr. Barton told me

that he knows you very well.

~~If you find~~

I saw Dr. Fu today

^{at the office.}

~~and he told me that~~

~~the minister of Education~~ he knows Dr. CHAO Lien-fang

Minister of Agricultural & Forestry Department and Mr. CHAO

Nai-chuan, Minister of Educational Dept. Dr. Fu wants

to send his best regards to you.

I am waiting ^{for you} ~~the~~ news, and hope that I can

hear from you soon.

Ryo + B. hon want to send their best regards to

you. May God bless ~~you~~ and protect you and

give you a great success in your mission.

Please forward ~~the~~ enclosed letter

Sincerely

to my brother Ai jin. Thank you very much for your

kindness in helping me to communicate with my folks.
