Dear Friends:

I am very happy to tell you that the young people of the first Baptist Church of Cicero have decided to entertain the American born Japanese soldiers on Saturday July 18, 1942.

I should like to ask you to talk with your friends who are in the same Camp and give me the list of the soldiers who are interested in this invitation, and who can probably come to the party at that night.

May I have the list by the end of this week, so that the invitations can be sent out early enough?

I will appreciate your co-operation.

Sincerely yours,

Ai Chi Sai
