

No. 92. Kitano-Church.
Takao Formosa.
April 26. 1946.

My Dear uncle
Mr. Sich Sai.

I think you are probably got my 1st letter before, and I am very glad I can send a next letter to you by some friend.

Now our relatives are all quite well. under the God's protect. The 3rd uncle Hilei Sai is still lived in Hongkong, and my elder brother and sister are still lived in Japan, and you lived in America. I hope all came back our home soon.

Oh! uncle the newspaper said The American society for the study of Formosa has a great plan, that is to build a university on south of Formosa. All Formosan hope

it will soon be done. I think you also had connected with it.

Now my uncle ^{you} will know the present condition of the Formosa, I have a many thing to talk with you, but I am is student so I want to talk you from student situation. My dear uncle you still remember many Formosan boys want get high education, I think special the Christian boys have a great hope to realize the Kingdom of the Lord at here, but we have nothing without feverish spirit.

I can not express enough my will. just we want much help from our uncle, and I believeed our uncle was already working about it.

The problem is lay on our future, so we now need more try and do

our best to ready for our future.
This is my personal thought, but I know
many boys think same me.

My dear uncle you well know
in our relative also have a many young
boy and girl. They are all hopeful.
and we are know our duty.

Now Good bye, dear uncle
We continue to pray that God may
direct, bless your family in all your ways.

Yours ever affectionately
Sin Chiong, Li.
