

Dear Dr. Harrison Anderson

In this changing and confused world it is with deep appreciation that we recognize the fact that we Christians of Japanese Church are allowed freely to come together and worship God, the Father of all the nations.

You and your Church have demonstrated a truly Christian love and generosity which we shall never forget. We thank God for this blessing and for putting in your hearts the Christian good-will that allows you to rise above worldly conflict and strife. This ~~will be~~ *has been* ~~our~~ *a* great lesson ^{to us} and ~~we~~ *we* as ~~the~~ group meets at your Church, ~~hope~~ *we* the same spirit as you have ~~in your Christian mind.~~ *shown*
 to have *season*

The Christmas reminds us all of the Saviour who first brought the Christian message of love to the earth. The Committee of the Japanese Christian Church wants especially to express its appreciation at this time for all you have done ~~for us~~ in the name of Jesus Christ, our Lord. It is only through deeds such as yours that real "peace on earth, good-will toward men" will become an actuality. It is indeed a comfort to us to know that we may even in this time work in open co-operation with other Christian Churches for the coming of the Kingdom of God that is our common purpose. We acknowledge the grace of our Lord Jesus Christ which sustains our common work and hope that we may be used as instruments, however small, for the work of the healing of nations.

We renew our thanks to you in this Christmas season and pledge again our fellowship in Christ.

Yours in brotherhood,

Dear Mr. Koga:

How are you getting along in your School work? I hope you will do your best for your coming examination and do not work too hard for it too.
