REPORTS - OFFICER

The principal purposes and functions of the Administration, in accordance with the Agreement signed November 9, 1943, by the United Nations and Associated Nations, are:

"To plan, coordinate, administer or arrange for the administration of measures for the relief of victims of war in any area under the control of any of the United Nations through the provision of food, fuel, clothing, shelter and other basic necessities, medical and other essential services; and to facilitate in such areas, so far as necessary to the adequate provision of relief, the production and transportation of these articles and the furnishing of these services."

The travel on which the bearer is engaged is necessary in the performance of his or her duties as a representative of the Administration.

This document is issued under the authority of Resolution No. 36 of the First Session of the Council of said Administration, which provides:

"Whereas

"The Council has in mind the importance of securing the expeditious and unhindered travel of officials and employees of the Administration to permit the prompt fulfillment by the Administration of the urgent tasks entrusted to it; it is therefore

“Resolved

“That the Council recommends:

“That the Director General issue to the officials and employees of the Administration for use when travelling on official business, a document identifying the official or employee and requesting, in the name of the Administration, that all appropriate facilities be granted the bearer.

“That all member governments give full recognition to such documents and instruct their diplomatic, consular, customs, and immigration services, and any other services which may be concerned, to recognize such documents as entitling the bearer to all appropriate facilities.”

The present certificate has been delivered for presentation to the appropriate High Authorities in order that the bearer may obtain such facilities, privileges, and immunities as may be accorded by virtue of his or her aforementioned position.
