

# 'CITIZEN of the MONTH' Award

We  
Salute:  
Mrs. Ryo  
TSAI

... head librarian  
at the Susan Henry  
Branch, 425  
Harvard Ave. E.

Good books bring to a community the best things that the best men have ever thought, expressed in the best manner. Local residents, of all ages, have consistently made our library branch a busy community center. This wouldn't be true if a library didn't keep current—and offer interesting programs. This tribute is to Mrs. Tsai and her hard-working staff for serving our community so well.

MAIL BOX

Dear Editor: \* \* \*

It was a very pleasant surprise to see that I made the front page of the Capitol Hill Times. Our patrons have commented on it and offered their congratulations. Your composition is exactly what I would have wanted to say myself about what is available here and about the hardworking staff because the service is possible only by the teamwork and I have a great team right now. Thank you so much for electing me as Citizen of the Month for April. It gives me and, I believe, others on the staff incentive to work all the harder to make this a library of which the whole community can be proud.

Ryo Tsai  
Branch Librarian  
425 Harvard Ave. E.
