Sept. 11

Dear Rev. Sai:

Through the Grace of God I had a most pleasant time with you the other day for which I thank the Lord.

Late yesterday afternoon a friend of mine dropped in to see me. I learned that he was in search of work, any kind of work.

Because of being Japanese he had lost his job and ~~and~~ being a Japanese he cannot find a job. Apparently he has been to all places run by his friends with no success. I could not offer him a job but felt very sorry for him.

For an hour I talked to him of the Comforts and strength one receives from our Lord Jesus, the cross we must bear ~~as~~ even as He did.

I told him of our church and how we, all of us, while going through these difficult times, are finding a great spiritual fortitude in the mercy of God and Jesus.

After about an hour of these talks he began to display much interest in our Church and even showed his desire of attending the service this Sunday.

If he does, and I pray that he does, I shall try to introduce him to you.

Would you please give him a word or two of encouragement? He needs it badly because I have felt that he was very desperate. He has an American wife and is about 55 years old. The name is Milton Ichikawa.

May our Lord be with you always

Sincerely  
Harry K. Shigeta
