Don't worry - if we need anything, we always go to Big Sis.

Dear Violet -

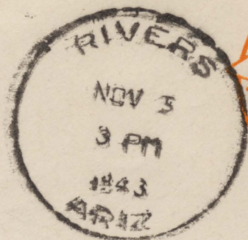

Thank you so much for all your trouble. If one didn't know the rich finish of the original - the copy is as good as any original. We've just been spoiled by the Serisawa touch, I guess. I know Tomis will appreciate your efforts to get these for me. The frame is very dainty and I love its simplicity. Thank you for your choice. I scribbled out a check thoughtlessly without stopping to include the mailing charges. I'm enclosing 6 - 3¢ stamps. Hope it will do - but of course money couldn't repay your time and trouble.

I'm relieved to hear of you having been so busy. Both Martha and I were rather concerned for awhile wondering if you were really back to normal. My word - going about giving two hour talks before Teachers Institutes is really something. More power to you Violet. We're really proud of you.

Mama is now able to walk the perimeter of her bed each time she gets up. Her appetite is good - her limbs almost back to normal.

I sent Miss Smith a copy of a news article regarding Jule Lake Segregation. I think she will give it to you when she is thru using it for her talk at Calvary Presby. Church.
Excuse this short letter - will write again.
Thank you again,
Amy
