

April 9, 1945

Dear Miss Bell,

I am asking you for a prayer  
that this war will end soon. It  
isn't hard to say the Lord's Prayer  
for nine days. I am passing this  
prayer hoping you will not break  
it.

This war started and is going  
around the world for the fourth time.  
The fourth day after you receive this  
notice, something good will follow.  
Make four copies and send it to four  
friends before the fourth day.

This was sent by Shige Iwabashi.  
Be sure to mention who sent it to  
you. This is not a chain letter.  
Notice what happens on the fourth  
day.

Please do not let it die in  
your home.
