Dear Violet -

Just received an announcement from Wilma thru' friend who came in the last group yesterday. I'm so glad for her and Louis.

Just had our first S. S. & Church Rally this morning. Could you scare up a primary hymn book or two for the teachers?

I'm also yearning for an astronomy book for the skies are so beautiful here. Can you shop around for even a used book for me?

Will write again - Hello to Dad.

With Love,

Amy
