Dear Mr. Fukuyama:

Upon receipt of your letter of August 28, 1942, enclosing postal money order in the amount of \$5.00 for 100 copies of "Democracy & Japanese Americans" by Norman Thomas, our supply of this material was completely depleted. Therefore, we immediately forwarded your money order to the Post War World Council, publishers, with the request that the 100 copies be forwarded to you at Minidoka. We trust you have received this shipment by this time. If not, suggest you check with the Council at 112 E. 19th Street, New York City; or if you wish I can do this for you.

Thank you for your suggestion regarding Caleb Foote's pamphlet. We have been planning to notify our readers of the availability of this material and have finally done so in today's issue of the :PACIFIC CITIZEN.

With best wishes,

Sincerely yours,

Teiko Ishida, Secretary
