Dean of the Graduate College
University of Nebraska
Lincoln, Nebraska

Dear Dr. Goss:

Thank you for your kind letter and the bulletin of the Graduate College

I am herewith submitting my application for admittance to the Graduate College of the University of Nebraska. Aside from the usual information required for admission, you listed four ~~requirements~~ additional requirements for persons of Japanese descent. I am submitting that information on a separate sheet of paper in the order you listed.

If I fulfill all your requirements and am granted permission to register, I should appreciate your notifying Mr. Joseph Conrad, National Student Relocation Council, 1830 Sutter Street, San Francisco, California.

The photograph I am enclosing is of necessity not ~~so~~ very recent; I have not had access to a camera for some time and previous to that I had only a few informal snapshots taken.

I do not find any mention of an application fee in the Graduate College bulletin; if there is any, please notify me immediately.

Thanking you for your trouble, I am

I am

Very truly yours,

Joseph B. Ishikawa.
