... assuming that you were
will come in pretty handy as
have been insulating and

bedrooms - One side already
into the other side next
plumbing done & some other

for the living room - Pan
had been on & even though
a yard for it & we weren't

other carpeting & it all
.. And we'd need 45 square
oak flooring which I'll lay
much furniture to get in

invest in some snow/mud tires.
because of the snow thawing &
chains on for over a week and

of payment today and it looks
me & taxes. The mortgage itself
1960, more than half of that

the view a whole
pro in staying up

delivers mail to the house -
mail box + install it about
we don't know about the
but the city school's bus
mail boxes are; so maybe we
to coming up that far too
pavement.
