

One thousand four hundred and thirty-six of her peers
voted her most likely to succeed
in the class of nineteen thirty-two.

She was lovely, vivacious and friend to all
and fully deserving ~~xxxxxx~~ above the rest
in the class of nineteen thirty-two,

But others before her had achieved this high honor
with attributes no less if no more
and proceeded to march forth resolutely
into oblivion.

But she
She soared from triumph to triumph
with ease and grace
fulfilling the prophesy
of the thousand four hundred and thirty-six of her peers.

~~Howzdiddzshzgzainxwkatzotherxhadxlostix~~

None thought to wonder
How she gained what others had never attained
so reasonable seemed her triumphs

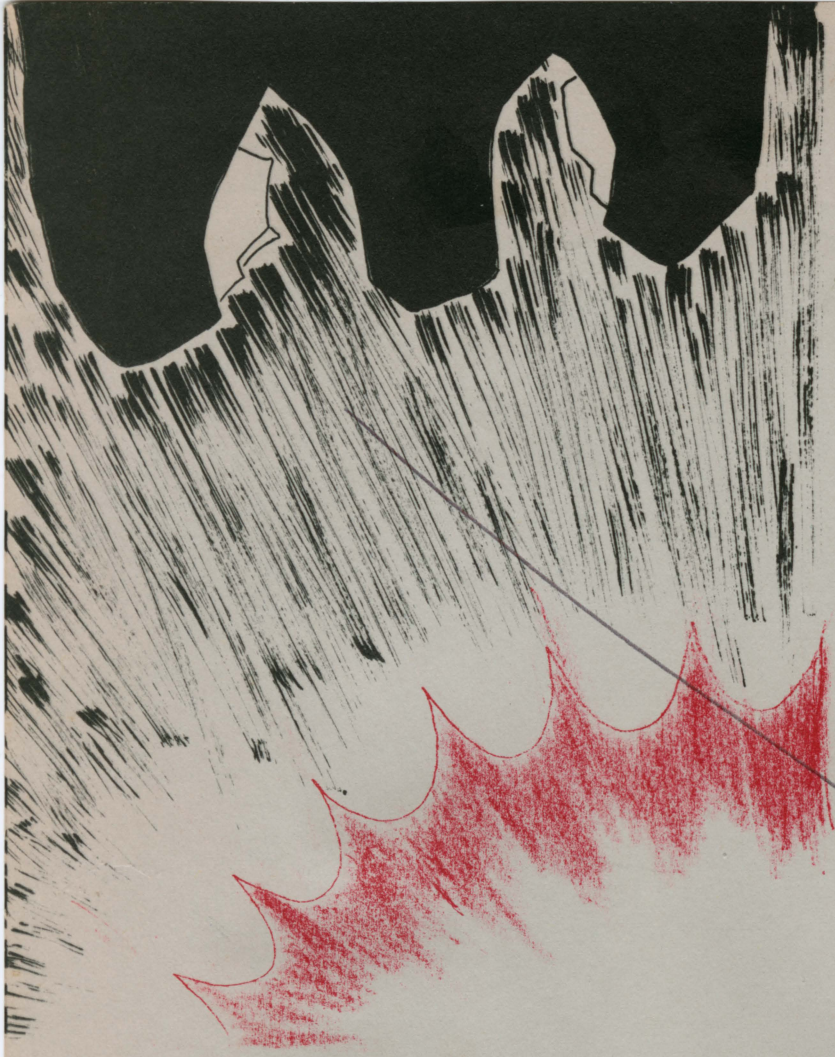

But the truth is
~~Shaxxmarriedxwxellix~~
She was lovely, vivacious, ambitious and ruthless
And she married well
And divorced well ~~xxxxxxix~~
with a modest alimony but a handsome settlement
in a lump sum of cash.

And she married well again
And divorced well
And married well
And divorced well

So many times ~~thaxxshxwxaxxaxx~~
that she was a semi-permanent resident
of Tiajuana,
Mexico

In the meantime endowing
A hospital
A college
A home for homeless boys
Another for wayward girls

The aged, the infirm, the halt, the lame, the blind
All claimed her as patroness

I have given you
as a covenant
to the people
A light to the nations
