Dear Fanning Weenie!

Well, I go again. . . . gee I haven't written to you for so long that I'll bet that you're really sore at me aren't you? Well, I always was the laziest one in the family anyway so I'm just living up to my name. Gee whiz, "pot", I heard that you've already learned how to dance. . . . that's great, and you're already 2 jumps ahead of me because I haven't learned yet! It's about time I really learned anyway so maybe I'll take time off one of these days and learn. What do you think Weenie?

Gee, about your candy, I'm sorry I didn't get it for you but in the near future I'm really going down to the candy store and buy you candy and stuff. . . . so don't think that I forgot about it. Is there anything else you want? If so write and tell me. O.K. ????

How's everybody in the camp? Still the same. . . . I really would like to drop around the camp again this year but it looks as though, I just can't ~~make~~ make it. Well, maybe next year!

So long "Pot,"
Dick

P.S. Tell Donna I'll write soon.

Dear Jean

Thank a lot for the letter which I received today and it really brightened up an otherwise dull day. It is really a treat to hear from you so ~~to~~ try and write often. Also, glad to hear that you liked the candy however it wasn't as much as ~~the~~ you deserve so please forgive us and I'll try to make it up Christmas.

And another thing don't send anything out here here for Christmas! If you do I'll kick you in the pants the next time I see you. I really mean it, so if you want to send something just send a post card or better yet a Christmas card. As for me I'm not earning much but at the present time I'm managing to keep alive so that's plenty. Anyway I have everything that a guy could possibly have, so if you or the rest of the family want me to keep sending you the presents which you are getting DON'T EVEN THINK OF SENDING but a Christmas card. I understand your thoughts of kindness but above all take my advice please!

So you're now 4'10" tall? Gee whiz that's getting pretty tall for a girl isn't it. I'll bet I won't even be able to recognize you when I get back. Say by the way what do you want to be when you grow older, Juanna? Please give me an idea so I'll know what

you're interested in.

How's everything and everybody in camp? Are you still dancing all over the place? I doubt if I ever get back to camp for quite some time but I'll bet by the time I get back you'll be the belle of the Camp.

By the way have you been painting recently? Or maybe if I could send you a chess set would you use it much? Tell me what you like to do and what your favorite classes in school are.

Well I'll have to cut this letter short cuz I haven't got much time tonite, so I'm rushing thru' it without much thinking on my part so if you can't understand anything in this letter just ignore it.

I remain,
Dick

P.S. Tell mother I'll write soon and also tell Donna that I'll try to write her the next chance I get. Thank,

Deck
