HISTORY

In 1927 a tract known as the Beardsley Site was purchased and the first giant fir fell. As soon as the clearing was large enough, the building was started, and by January 1928 it was ready for occupancy. True, the electric clocks, light fixtures, laboratory equipment, and even many of the seats had not been installed but nevertheless, the building was occupied.

More trees came down and in their place decorative shrubs and a lawn have grown. Gradually the clearing has widened until a smooth and spacious athletic field now lies to the east, garages, and parking space to the north and a play field which boast of a tennis court and also in the near future a miniature golf course lies to the west. To the south stands a donated flag handsome flag, also a gift.

Gradually indoor improvements have been added. The most important of these, the library, with its volumes and current magazines, is furnished with a circular desk and three large reading tables, fully equipped, and fresh water aquarium. The handsome stage curtains, a grand piano, hand instruments, office equipment, an electric range and many up to date features have been furnished.

CLASSES

THE SENIOR CLASS

President Lloyd Morely
Secretary Mildred Johanson
Advisor Mr. Williamson

It has been four years since we first met at Winslow High School, as a group of verdant Freshmen; We were gathered from all parts of the Island and under the capable leadership of our president, George Wickman, and advisor Miss Corskie, we soon became known as the largest class in school.

In 1928—we met again but we had lost our verdancy and were now mighty sophomores. That year we were being piloted by the capable president Henry Ellingsen and our advisors Miss Marshall and Mr. Knoll

Our Junior year 1929, we again met minus a few of our old class mates, but still a large group. We were now beginning to gain prominence in the athletic field, having many stars in the various sports. We were also represented by placing several members on the debate team,

Isabelle Wickman was our president for the Junior year and again we had as advisor Miss Florence Corskie.

We brought our ship into the port of 1931, under the leadership of Lloyd Morely and the advisorship of our principal, Mr. Williamson. So ends an eventful four years of friendship and good fellowship. It was hard work and hard play, but with our motto, BE SQUARE—we will leave a vacant place which can never be replaced.

"Now we'll sing, the chorus of Song
of '31."

While We're the Seniors of Bainbridge.

JUNIOR CLASS OF '32

"Let us be known by our deeds"

President Arthur Monsaas

Vice-President Isami Nakao

Secretary Esther Jensen

Treasurer Dorothy Grow

Student Representative

..... Ethel Wyatt

Advisor Miss Marshall

The Junior Class of '32 led on its conquering wave by our capable president, Arthur Monsaas, has had one of the most successful years of its career, and proven itself one of the most enthusiastic and "Willing" classes in Bainbridge High School. Among its achievements was "Moonlight and Roses", the Junior Prom, and the Junior party. Many Juniors participated in plays and all forms of athletics, and we find many on the Honor Society and other activities of the school.

Much of our success is due to our advisor, Miss Marshall and our capable leaders. We hope to continue our good work and prove our worthiness as Seniors.

THE SOPHOMORE CLASS

We, the members of the Sophomore class, have at last become dignified members of the Senior High School. Most of our members coming from different parts of the Island, first came together as the seventh grade in the old Winslow High School. Later we moved to the newly finished High School and there started our climb upward. Successfully completing our eighth grade year and then our Freshman year, with flying colors we have entered our Sophomore year. This year our class lost a few of the original members but those were replaced by the addition of some new members.

At an early class meeting we elected the following officers.

President Kenneth Raber

Vice-President May Stangeby

Secretary Mildred Lindy

Treasurer Edith Williams

Representative to the Student

Council Mervin Sivertson

Yell Leader Victor Ellingson

These have proven to very able leaders and have served our class very well under the direction of our capable advisor, Miss Biggs.

THE ASSOCIATED STUDENT BODY

This organization is composed of the faculty and the students who have paid their membership fee of one dollar. During the year of 1930-1931 this organization had the largest membership in the history of the High School. The membership fee entitles the student to free admission to all home games in Football, Basketball and Baseball, besides the privilege of participating in all A. S. B. activities.

At the opening of school in 1930 the organization had several standing debts of quite large amounts which at present are paid. Consequently we have a shortage of money in the treasury, but the officers and advisors of the A. S. B. thought it better to pay off a clean slate for next year's officers. The following officers:

President Richard Peterson
Vice-President Henry Ellingsen
Secretary Mildred Johanson
Treasurer Isabelle Wickman

Wish the next year's officers the greatest of success possible.

THE SPARTAN BOOSTERS

President Grenville Broom

Secretary Mildred Johanson

The Spartan Boosters Club was instituted this year, and has attained remarkable success at various enterprises. The purpose of the organization to uphold the standards of school, stimulate better citizenship among the students, and aid all school projects.

To secure greater efficiency and to obtain better results, the club has been divided into four committees. They are:

The goodwill Committee—to greet all visitors and make good will tours to other schools.

Pep and Song Committee—to familiarize the students with yells and songs and create school spirit.

Advertising—to aid in advertising all school activities and to put forth the school to Island people.

Traffic and Ground—to regulate traffic in halls and improve the school grounds.

Grenville Broom as President and Mildred Johanson as Secretary have served capably, while Mr. Williamson's untiring efforts as advisor insures the progress of the Club.

DEAR OLD BAINBRIDGE

We are here, our dear old High
To laud your glories to the sky;
Sons and daughters true,
And we'll stand by you,
We will wave our banner gay,
As we are marching on our way
For with you our high school dear,
We'll never fail, never fail, hip-hip hurray.

Fill us with loyalty
So we shall your name proclaim.
Happy we strong and free
Through to far lands our footsteps may
wander.

Take, take our fealty,
Bainbridge High School is your name;
Ever more, rich or poor, your praises shall
we acclaim
Dear old Bainbridge, dear old Bainbridge,
Hail!

We are her, dear old High,
To laud your glories to the sky;
Sons and daughters true,
And we'll stand by you,
We will wave our banner gay,
As we are marching on our way
For with you our high school dear,
We'll never fail, never fail, a hip-hip
hurray.

ALMA MATER

With throbbing hearts we think of you.
We love your very name.
A mighty pride, a bounding joy
Surges through us at your fame.
We carry on as best we can
To keep Your banners high
We'll never let your standards fall,
For our love for you will never die.
Bainbridge, our dear old Bainbridge,
We'll be ever true,
To the spirit you inspire
When we fight for you.
You taught us to face life with courage
And a happy faith in Right
We're proud to be yours! May your spirit
never die!
Our Bainbridge High!

PEP SONG

Bainbridge High School, Bainbridge High
School,
Yes, you bet we're here,
And we have our team here with us
Foes we never fear;
Spartan true we're cheering you.
You're marching on to fame,
So fight, fellows fight, fight, fight,
We'll win this game.
