AMBITIOUS DONNIE
 Our Donnie is ambitious for A little boy of 10 . . . Who knows just what he wants to do . . . Exactly how and when Each new idea that comes to him . . . Enthralls him more and more . . . And all his thoughts are on the thing . . . That he is striving for . . . It may be selling magazines . . . Or trying for a prize . . . Or doing some good Cub Scout deed . . . According to his size But once he gets the notion, he . . . Unites his heart and soul . . . To conquer every obstacle . . . And reach his special goal . . . He knows exactly what he wants . . . And when and where and how . . . And every time he makes it plain . . . He has to do it NOW!
