Dear Mary & Lil —

Typed what letter for you & sent it off to you — you've gotten it by now I presume. Thank for everything while I was home.

I haven't started work yet — but we may start either to-morrow or Monday — don't know yet — till Geo. comes home to me. I'll be glad to start work once more — tho I needed the rest. All I've done is sleep since I've been back.

Got a letter from Kim & she said she went up to Trap Ager for me & sez the place didn't impress her too much. Guess I'll have to get busy & start writing to more of the schools back East.

Dad Mas & Pa. give me  
a permanent today — I it came  
out swell. Not a bit blurry or  
fuzzy.

I have seeds of letters to catch  
upon 'fore work starts — so  
I'll write again.

Joe —

Sis.

Sis — will write more after  
I've talked to Pa —
